FOR ETHNIC MINORITIES **OFFICER**

GOALS

- Listen to voices of minority students on issues such as accommodation, transport and socializing problems and represent them.
- Improve the problems faced as ethnic minority students by engaging with the University and relevant authorities.
- Make sure decisions taking by the executive or council have ethnic minority students at heart.
- Liaise with clubs and societies dealing with minority students to organize events and take decisions.

ABOUT ME

I am an INTO student planning on continuing at the university next semester. I am currently the INTO representative in council. Have a good knowledge in dealing with student issues as I was a member of the Model United Nations council for two years.
